**Lauren Moretz** is a bookkeeper and a QuickBooks ProAdvisor. She is experienced in bookkeeping set-up, problem solving, and training. She has her bachelor's degree in Business Management from Florida Gulf Coast University and is completing her Master's in Business Administration. She combines her education with her hands-on experience implementing standard operating procedures and policies procedures, and office management with her knowledge of bookkeeping. Lauren excels in organization and adds website design to her skills.

In addition to her studies, while at the university, Lauren was the Community Service Officer in the Undergraduate Student Advisory Board reporting to the Dean of the Lutgert College of Business. In this role she planned food drives and other special events while also maintaining her studies. When she has free time, Lauren enjoys watching movies and spending time with her husband, friends, and family.
